DUCHU IS A STIMULANT, and of itself ben scientifically combined with Bromide of Potassium and other ingredients, pro duces a sedative effect, and causes a healthy action, thus increasing the powers of digestion, allaying irritation, reducing all unnatural swellings, stopping pain and inflammation, and causing the repairs and nutriments in the human body to be greater than the wastes, thus preventing decomposition and decay, and gives nourishment, health and vigor to the system.

My Buchu is good for all diseases arising from excesses; such as Weakness, and Pain Grates, Tin, Copper and in the Back and Legs. Trembling in the region of the Heart, Weak Nerves, l'allid Countenance, Dryness of the Skin, Scrofulat

Syphilis, in its many forms, Ulcers, and If your system is affected by any of the above symptoms and diseases, relief is at hand. Get a bottle of my Buchn and Bro-

SPECIAL NOTICES.

Sinking Slowly. Diseases that progress rapidly to a crisis are not the only ones to be dreaded. Canker or dry rot does not blast a tree us suddenly as a stroke of lightning, but nuless arrested it destroys it as certainly; and in like manner chronic debility, although it does not kill with the swiftness of yellow fever, ally as any acute disease, if not checked by invigorating medication. There is something inexpressibly touching in the spectaease of this kind is Hostetter's Stomach the system and the strengthening and regplating properties give a permanent and healthful apulse to the vital forces thus

brought into iday. The failing appetite is re-awakened, the process of digestion and assimilation are quickened, the quality of the blood is improved, the secretions becomes more natural, and every organ that con tributes to the nourishment of the body undergoes solutary change. By these means the repair of the physical structure is efforteland its health and vigor restored. In ra class of discuses has the senencent operat or of the B iters been more trankel and striking than in these characterize lby general debility and nervous prestration Ludies affected with these a luments that in this most wholes one of all tennes and cor-testives the satist and surest means of elist.
